It has been accepted for inclusion in Shotcrete for Underground Support XII by an authorized administrator of ECI Digital Archives. For more information, please contact franco@bepress.com.

ECI - SUS XII
Singapore 2015

Welcome to the VERNISSAGE

DEEP SKIN

Human - Nature

The function of the skin is to protect the living being underneath, yet it too is fragile and in need of protection. The human figures are contemplative and locked into their position, just as if they were trees on Earth.
